And What Have You

By BOB CRAIG

The people of Hamlin are great! This was evidenced again recently with the way you responded to the United Way Campaign.

When the executive committee of the organization met to set the goal for this first drive, about all they had to go on was what others were doing. And based on the statewide average for per capita giving Hamlin's goal should have been somewhere around \$7,000. But the committee felt that the need was much greater than that and set the goal at \$9,000.

The \$9,000 figure was somewhere between what the group felt was the need and what they hoped could be raised.

The \$13,000-plus that was raised is much closer to the needs of the community than the committee ever hoped to raise.

We just hope that the committee's underestimate of the amount that could be raised does not hurt the drive next year. The need is there and if the people will respond this way every year we can take care of most of the needs of our community with this one drive each year.

Again, we would personally like to thank all of you for responding to this drive with such open hearts.

The following Thanksgiving message is taken from this week's "As It Looks From Here" column by Congressman Omar Burleson.

"A Day of Thanksgiving to Almighty God" were the words used by the Governor of Texas, George T. Wood, in 1849 to make Thanksgiving official in Texas. The Governor recognized this day to be a festive family occasion. His reference also called attention to a day for earnest spiritual reflection.

Sixty years before, in 1789, George Washington issued the first Thanksgiving Proclamation. His words have remarkable significance even today and they are as follows:

"Whereas it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection and favor; and

"Whereas both Houses of Congress have, by their joint committee, requested me 'to recommend to the people of the United States a day of public thanksgiving and prayer, to be observed by acknowledging with grateful hearts the many and signal favors of Almighty God, especially by affording them an opportunity peaceably to establish a form of government for their safety and happiness:'

"Now, therefore, I do recommend and assign Thursday, the 26th day of November next, to be devoted by the people of these United States to the service of that great and glorious Being who is the beneficent author of all the good that was, that is, or that will be; that we may then all unite in rendering unto Him our sincere and humble thanks for His kind care and protection of the people of this country previous to their becoming a nation; for the signal and manifold mercies and the favorable interpositions of His providence in the course and conclusion of the late war; for the great degree of tranquility, union, and plenty which we have since enjoyed; for the peaceable and rational manner in which we have been enabled to establish constitutions of government for our safety and happiness, and particularly the national one now lately instituted; for the civil and religious liberty with which we are blessed, and the means we have of acquiring and diffusing useful knowledge; and, in general, for all the great and various favors which He has been pleased to confer upon us.

"And also that we may then unite in most humbly offering our

Brownwood Firm Apparent Low Bidder On School Buildings

Herman Bennett Company of Brownwood was the apparent low-bidder here Thursday when the bids were opened on the Hamlin Independent School District construction projects.

The Board of Trustees are expected to meet sometime this week with representatives of the construction firm and the school's architectural firm of Riherd

and Huckabee of Andrews to enter into a contract.

The base bid submitted by Herman Bennett Company was \$1,699,800 which was the lowest of the 11 bids submitted. The board is expected to meet with Tommy Huckabee this week to consider a number of alternate proposals submitted by the bidders which would lower the total construction costs of the projects.

The base bids included the new Middle School, the Auditorium and Band Hall, and the air conditioning of the older existing buildings. A separate bid was submitted by the firms on the resource center at the high school. Herman Bennett Company's bid on this item was \$52,000.

Through the various alternates available in the plans and specifications, the board is expected to trim about \$165,000 from the total bid of the Brownwood firm of \$1,751,800.

Area Builders, Inc. of Odessa were the next low bidders with a base bid of

\$1,718,000. The highest bid was submitted by R. M. Wells Co., Inc. of Quanah and was \$1,895,000.

The bids were opened in the high school cafeteria Thursday at 2:30 with over 100 representatives of the construction industry on

hand.

Hamlin voters approved a \$1,250,000 bond election here Sept. 11 and the district collected nearly 500,000 in insurance from the March fire that destroyed the junior high school building and auditorium.

Girls Win Consolation In Aspermont Tourney

The Hamlin girls basketball team defeated Goree Saturday evening to take consolation honors in the annual Aspermont Invitational Girls Basketball Tournament. The local girls defeated Goree, 48-40 with Starlet Covington scoring 23 points. Crowell captured the tourney with a 70-36 victory over Albany.

Hamlin lost to the tourney champions in the first round, losing to Crowell, 45-44, on Thursday. Elizabeth Hooper was high for the local girls with 24 points. Hamlin took the second round game with Abilene Christian High School Saturday morning, 40-28, with Hooper and Covington each scoring 17 points.

Both the boys and girls teams played at Knox City Tuesday evening and will travel to Abilene next Tuesday to play the Abilene

Christian High School teams with the girls junior varsity game starting at 4 p.m. This will be followed by the boys junior varsity game, then the girls varsity and closing out with the boys varsity game.

The eighth grade boys and girls teams will travel to Albany for a district game next Monday. The first game will start at 5:30.

GED Tests Set At Rule Dec. 6

General Educational Development Tests will be given in Rule High School Saturday, Dec. 6, at 8:00 a.m.

Five tests will be given in English, Literature, Social Studies, Science and Mathematics. If a person passes these five tests, the Texas Education Agency will issue a High School Equivalency Diploma. This diploma meets the educational requirement for employment as well as partial requirement for college entrance or job training schools.

A fee of \$15 is charged for all five tests and it takes about two hours for each test. For additional information call the superintendent office at Rule.

Governor Urges Caution During Coming Holidays

Governor Dolph Briscoe has reminded Texans of the forthcoming holidays and urged extreme caution in driving in this potentially dangerous period.

Said the Governor, "Thanksgiving is a time to reflect our successes and to be thankful for the good things of life. It is a time for us to consider a closer relationship with our neighbors, friends and families. But, it is also a time to be mindful of the busy holiday season.

"We are all going to be

rushing to enter the spirit of the holidays. And, with this fast paced life style, some people are forgetful of the need to slow down and be more careful when driving.

"Traditionally, the month of December is a time when traffic deaths start to climb. But, with an increased effort, we can reduce the number of fatalities and injuries that usually occur during the most active time of the year.

"Texas is truly a land of plenty with a sound economy, fine highways and well planned cities. We have much to be thankful for, yet we still

have traffic accidents that kill and injure hundreds of people.

"Therefore, I ask that each Texan accept a personal commitment to be more cautious during this holiday season. Let's make this Thanksgiving, Christmas and New Year, the best and safest time on Texas streets and highways," concluded Briscoe.

The Governor said his staff would increase their public awareness efforts through the media to remind motorists of the hazards of holiday driving.

A tradition for more than 350 years

This Thanksgiving, as we carve the turkey and enjoy the foods of the harvest season, let us remember to be thankful for the freedom we enjoy. And, as we approach the 200th anniversary of the United States of America, let us pay a special tribute to the Pilgrims of the Massachusetts Colony and our other forefathers who came to the New World in search of freedom. The Pilgrims of New England established the tradition of Thanksgiving even though their first years in the New World were rough and the harvest was small. They were thankful for their freedom and for the opportunity to create a colony in a new land, carving a community from the wilderness. We should always remember these brave settlers, for it was they who set the foundations for freedom upon which our country is built.

According to the reports of the four gins of Hamlin there has been ginned here to date 11,154 square bales and 1,524 round bales. This is distributed out to the gins as follows: Pioneer Gin - square bales 4,010 and 1,460 round bales; Fed H. Britton Gin Co. - square bales, 3,098 and 64 round bales; Planter Gin, 2,386; Slaton Gin, 1,669 and a total of 6,000 bales in the yard to date.

N. G. Bairrett of Olton, in Lamb County, was in Hamlin a few days this week on business and visiting old friends. While here Mr. Bairrett had us send in his name for the Dallas News. N. G. likes the Plains and is always glad to get the Herald. He says he reads everything, even the ads.

Elder C. D. Record will preach at the Church of Christ this Sunday at 11 a.m. Everyone has a cordial invitation to attend. Elder Record will begin a ten-day meeting in Plasterco Sunday evening.

No only will this new brick be a great boost for Hamlin, but it will accommodate on the largest and strongest mercantile firms in this part of the West. We are told that the Bryant-Link Company of Stamford will use this new building, and will have a long time lease on it. This makes more than a dozen stores for the company, which seems to continue to spread out in all directions. Information is that Mr. Billie Bryant will be manager of this new store and that he and his wife are moving to Hamlin right away to make this their permanent home.

Mr. and Mrs. Herman Barnett of Electra spent a few days this week with Mrs. Barnett's parents, Mr. and Mrs. W. L. Fletcher Sr., and other relatives and friends.

TWENTY YEARS AGO

(November 18, 1955)

Boys of the Hamlin chapter of Future Farmers of America Walked away with top honors at the district leadership contest conducted at Stamford last Wednesday. The boys were under the sponsorship of Harold Eades and T. C. Blankinship. Members of the senior team were: Perry Davis, president; Joe Cowan, vice president; Dwight Wallace, sentinel; Sam Carothers, treasurer; Jerry Jay, reporter; Davey Weaver, secretary; and Ronny Parker, Lane Fletcher and Gene Steele, delegates.

One of the largest, oldest and most - buttoned rattlesnakes taken in these parts

was brought to town Sunday afternoon by Martin E. Smith, who killed the coiler on the Dr. W. C. Weir place, north of town. The serpent was located in an old cellar on the Weir place by Smith, along with a smaller snake. Smith killed the snake as it slinked back under the roof supports of the cellar. Five feet and eight inches long, it weighed about six pounds. It had 28 buttons or rattles, one of the biggest sets ever seen hereabouts.

Hamlin's South Lake last week was supplied with a big shipment of small fish from the San Angelo federal fish hatchery, it was announced by J. C. Cauble, caretaker of the lake. Included in the shipment placed in the nearly-full lake were 1,500 channel cat, 15,000 beam and 3,500 black bass fingerlings.

Hamlin Pied Piper's toughest game of the 1965 football season is scheduled for Friday night at the Piper Stadium against the Stamford Bulldogs, who have nine straight victories. A win by the Stamford aggregation will make them District 4-AA winners.

TEN YEARS AGO

(November 18, 1965)

The 4-H Boys Club of Hamlin met Nov. 8 for the election of officers. Charles Thomas Sellers was elected president; Gregory John Perrin, vice president; Russell Wayne Willingham, reporter; and Steven Ray Willingham, song leader. At present there are 26 members.

The Pied Pipers and Piperettes will open the basketball season tonight when they travel to Eula. The Boys B team will open the action, to be followed by the Piperettes and then the Pipers. The Pipers, coached by Earnie Reusch, face a rebuilding job this year as they have only one starter back from last year, James Ledbetter. The Piperettes, coached by Dan Truelove, have last year's entire team back again this year. Returning guards are: Donna Compton, Glenda Hudspeth, Pauline Womack and Kay Hodnett. Returning forwards are: Judy Jenkins, Linda Bailey, Pauline Lakey and Margaret Cooper. The basketballers will play their first home game Tuesday as they entertain Avoca.

Cynthia Stephens was named FFA Sweetheart at an assembly last Thursday. A senior and daughter of Mr. and Mrs. H. D. Stephens, she will represent the local chapter on various occasions during the school year. She will compete for sweetheart of the Stamford District FFA Association next Spring and also will represent the chapter as its nominee for Sweetheart of the West Texas Fair next fall.

prayers and supplications to the great Lord and Ruler of Nations, and beseech Him to pardon our national and other transgressions; to enable us all, whether in public or private stations, to perform our several and relative duties properly and punctually; to render our National Government a blessing to all the people by constantly being a Government of wise, just, and constitutional laws, discreetly and faithfully executed and obeyed; to protect and guide all sovereigns and nations (especially such as have shown kindness to us), and to bless them with good governments, peace, and concord; to promote the knowledge and practice of true religion and virtue, and the increase of science among them and us; and, generally, to grant unto all mankind such a degree of temporal prosperity as He alone knows to be best.

A Look at the Cross on THANKSGIVING

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted."

"But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

"All we like sheep have gone astray: we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all." Isaiah 53:4-6

Our prayer this Thanksgiving Season is that everyone will attend the house of God, giving thanks unto him for his great gift, which is eternal life through his son.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Philosopher Claims World Spending Too Much Time On Problems That Have No Solutions

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One claims he has been thinking, his letter this week indicates.

Dear editor:

After thinking long and hard I have come to the conclusion that the main problem with the world is that it spends too much time trying to solve problems for which there aren't any solutions.

For example, Secretary of State Kissinger has spent the last two or three years flying back and forth between half a dozen countries while we spent 150 billion dollars in Viet Nam—which is enough money to tide New York, Boston, Philadelphia, Los Angeles, San Francisco and several others over till at least Christmas—and as far as I can tell the problems he was trying to solve are still there.

There are 142 countries in the United Nations, and probably a lot more out there somewhere we haven't heard of who haven't heard of us or the United Nations, and for anybody to try to keep up with their internal problems, not to mention solve them, is

like asking you to keep up with the name and character of every office-holder in every county within 200 miles of Hamlin.

If Congress in Washington and the Legislature in Austin would confine their attention only to problems capable of being solved, their meeting time could be reduced by about 75 per cent. It doesn't follow that taxes would thereby be reduced, as reducing taxes is one of the problems that can't be solved.

Moreover, this theory doesn't apply just to governments. It applies to all sorts of institutions and categories, and here's a list of some of the problems that can't be solved:

College students.
Busing.
Teen agers.

Your neighbor's dog. Television programs. Cars. George Wallace. Ronald Reagan. Ireland.

The Mid-East. The national debt. Family squabbles.

I'm running out of space. I started to list the CIA and the FBI, but there is a solution to those. As I understand it, both outfits have claimed they've been doing what they've been doing because Congress hasn't set up any guidelines for their conduct. Therefore Congress should pass a law making it against the law for the CIA and the FBI to break the law.

Yours faithfully,
J.A.

NEWS FROM ...
McCaulley
By Mrs. Fred Kemp

These brisk, cool mornings are definite proof of approaching winter. The frost recently gave positive proof of how little or how much those cotton plants had produced.

Mrs. Vera Bonds of Lubbock and daughter Mrs. Oleta Adams of Ralls were recent visitors in the homes of Milton and L. Z. Webb and Mr. and Mrs. Ernest Webb.

Mr. and Mrs. Ed Farmer and daughters, Julie and Vivian, attended the basketball games at Abilene last week.

High School Basketball teams traveled to Blackwell Tuesday. McCaulley Boys B Team and Girls A won their games. On Friday night Blackwell came to McCaulley and were defeated by all three McCaulley teams; Boys B and A and Girls A. This Tuesday night the teams will travel to Hobbs for high school games.

Mrs. Martin Decker and Mrs. Lee Decker did a bit of visiting and vacationing recently. They went to Austin to visit Mr. and Mrs. Kenneth Decker and Mr. and Mrs. Melvin Strain and families. Mrs. Strain, Mrs. Martin Decker's sister, accompanied them to San Antonio to pick up another sister, Mrs. Geneva Thompson. From there they traveled to Aransas Pass and spent the week in the Thompson's condominium. They reported a great week together.

Mr. and Mrs. Pratt Cox recently bought a plot of ground across the road from their house, cleared away the rubbish, cut out some of the trees, leveled the land and sowed it with wheat. Sure looks pretty. Our community would be more inviting if more of us would do likewise.

Referees for our basketball games have been especially good recently. We had our first woman referee this year who did a very fine job. Last week one of the referees was Randy King from Roby who is attending Western Texas College in Snyder. He and his partner also did a very fine job.

McCaulley Schools will be dismissed for Thanksgiving Holidays Wednesday at 2:00 o'clock to be resumed Monday, Dec. 1.

A well known story tells that James Watt got the idea for a steam engine as a boy by watching steam lift the lid of his mother's tea kettle. Actually, Watt did not invent the steam engine, though he did improve it and make it practical!

A nuclear power plant makes electricity much the same way that Watt's mother made tea. It boils water to make steam to turn the turbine to make electricity. The difference is, it uses heat from nuclear reaction instead of fire to boil the water.

STATE CAPITAL

AUSTIN — The debate goes on over whether the legislature will be faced with a billion dollar tax bill in 1977 — or none at all.

Comptroller Bob Bullock stated that if lawmakers continue their recent spending patterns they will have to pass a record tax measure.

But House Speaker Bill Clayton predicted the legislature will be "trying to maintain the status quo" and will avoid growth of the bureaucracy. In spite of Bullock's repeated warnings, Clayton said he is not convinced that a major tax bill will be required.

Gov. Dolph Briscoe at a governmental conference in San Antonio stated government at all levels must become more economical and efficient. He called specifically for "redirection" of spending for education.

State Sen. Peyton McKnight of Tyler, speaking more harshly, said runaway spending in education may bankrupt the state if it isn't brought under control. He called for a lid on education spending.

Meanwhile, the new Joint Advisory Commission of Government Operations (Little Hoover Commission)

held its second meeting and adopted a time-table for a year's inquiry into 250 state units of government. Lt. Gov. Bill Hobby warned members to keep their eyes on the big spending areas and avoid "rabbit hunts."

Postponed Again

The Senate for the third time postponed the impeachment trial of District Judge O. P. Carrillo.

By a 16-10 vote, senators delayed the trial until January 5 to await outcome of a Judicial Qualifications Commission hearing and federal court final action on Carrillo's income tax conviction.

Carrillo said he will never resign his post on the Duval-Starr-Jim Hogg counties bench, although he has been suspended since last August following House passage of articles of impeachment.

Court Race On

New Texas Supreme Court Associate Justice Ross E. Doughty of Uvalde decided he will not be a candidate to retain his job in 1976.

Two Court of Civil Appeals chief justices immediately indicated an interest in a race to succeed

Doughty who was appointed only about two months ago when Associate Justice Ruel Walker retired.

The prospective candidates are Judge Charles W. Barrow of the Fourth Court of Civil Appeals in San Antonio and Martin Dies Jr. of the Ninth Court in Beaumont.

Barrow says he is definitely going to run. Dies says he is "inclined to" but wants to check his bases of support again.

Courts Speak

Reversing itself, the State Supreme Court agreed to consider whether a landowner, to claim an agricultural tax exemption, must prove 51 per cent of his overall income is derived from farming or ranching.

Third Court of Civil Appeals threw out a State Board of Pharmacy appeal from a district court ruling blocking its enforcement of a limit on advertising prescription drugs. The intermediate court noted an appeal notice already has been filed with the Supreme Court, and two parallel appeals cannot proceed simultaneously.

The Third Court rejected approval by the Savings and Loan Commissioner of a fourth savings and loan association charter for Longview due to rulings on evidence by a hearing officer.

An injunction prohibiting the State Board of Insurance from enforcing a requirement of 90 days' notice for cancellation or premium increases in medical liability policies was upheld by the Third Court.

Improper jury arguments by Dallas prosecutors led to two reversals of cases by the Court of Criminal Appeals.

The Supreme Court directed an intermediate court to reconsider a workmen's compensation case in which the lower tribunal earlier had held a Brazoria County chemical worker intentionally

jumped off a building.

AG Opinions

A blood sample cannot be legally taken without the consent of a person suspected of a traffic-related offense, Atty. Gen. John Hill stated in a recent opinion. A physician, taking the sample without apparent consent, could be subject to civil liability, Hill stated.

In another recent opinion, Hill concluded those acting under direction of physicians in filling prescriptions do not have benefits of statutory exemptions granted doctors, dentists and chiropractors.

GOING UP!

For a while the price of oil was rising faster than inflation. And while it has stabilized it seems destined to be high from now on. This means higher fuel costs to the people who generate our power and inevitably higher costs to us. But the Midwest Electric Cooperative reaffirms its promise to provide power at its lowest possible price. It's a promise we've kept for more than 30 years.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

The people of Hamlin are great! This was evidenced again recently with the way you responded to the United Way Campaign.

When the executive committee of the organization met to set the goal for this first drive, about all they had to go on was what others were doing. And based on the statewide average for per capita giving Hamlin's goal should have been somewhere around \$7,000. But the committee felt that the need was much greater than that and set the goal at \$9,000.

The \$9,000 figure was somewhere between what the group felt was the need and what they hoped could be raised.

The \$13,000-plus that was raised is much closer to the needs of the community than the committee ever hoped to raise.

We just hope that the committee's underestimate of the amount that could be raised does not hurt the drive next year. The need is there and if the people will respond this way every year we can take care of most of the needs of our community with this one drive each year.

Again, we would personally like to thank all of you for responding to this drive with such open hearts.

The following Thanksgiving message is taken from this week's "As It Looks From Here" column by Congressman Omar Burleson.

"A Day of Thanksgiving to Almighty God" were the words used by the Governor of Texas, George T. Wood, in 1849 to make Thanksgiving official in Texas. The Governor recognized this day to be a festive family occasion. His reference also called attention to a day for earnest spiritual reflection.

Sixty years before, in 1789, George Washington issued the first Thanksgiving Proclamation. His words have remarkable significance even today and they are as follows:

"Whereas it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection and favor; and

"Whereas both Houses of Congress have, by their joint committee, requested me 'to recommend to the people of the United States a day of public thanksgiving and prayer, to be observed by acknowledging with grateful hearts the many and signal favors of Almighty God, especially by affording them an opportunity peaceably to establish a form of government for their safety and happiness:'

"Now, therefore, I do recommend and assign Thursday, the 26th day of November next, to be devoted by the people of these United States to the service of that great and glorious Being who is the beneficent author of all the good that was, that is, or that will be; that we may then all unite in rendering unto Him our sincere and humble thanks for His kind care and protection of the people of this country previous to their becoming a nation; for the signal and manifold mercies and the favorable interpositions of His providence in the course and conclusion of the late war; for the great degree of tranquility, union, and plenty which we have since enjoyed; for the peaceable and rational manner in which we have been enabled to establish constitutions of government for our safety and happiness, and particularly the national one now lately instituted; for the civil and religious liberty with which we are blessed, and the means we have of acquiring and diffusing useful knowledge; and, in general, for all the great and various favors which He has been pleased to confer upon us.

"And also that we may then unite in most humbly offering our

Nazarene Church Sets Revival

A fall revival at the Church of the Nazarene will be led by the Rev. and Mrs. H. F. Crews, evangelist, singers and musician, according to the Rev. Marshall Stewart, pastor.

The revival Dec. 2-7 will include week night services at 7 and Sunday services at 10:45 a.m. and 6 p.m.

The Crewses have been

successful evangelists in the Church of the Nazarene. She assists in the services, playing the piano, electric accordion and organ. They also sing special music.

The Rev. Crews served as pastor in Pittsburg and Denison before he accepted the pastorate of the South Oak Cliff Church of the Nazarene in Dallas. He is now in full-time evangelism.

Pipers Place Four On 6-AA All-District Team

The Hamlin Pipers placed four boys on the First Team All-District selections made by the District 6-AA coaches Monday. They also landed six on the second team and nine received honorable mention. Anson, district champions, led the first team selections with seven players and were followed by Ballinger with six.

Selected on the 13-man first team offensive squad from Hamlin were Delbert Thompson, running back; Rick Craig, lineman; and Ken Maberry, lineman. Landing a spot on the 13-man first team defensive unit was Steve Williams, down lineman.

Singing Beebees

To Perform Here

The Singing Beebees of Bourbon, Mo., will be presented in a special program Friday at 7 p.m. in First Assembly of God Church, according to Rev. Billy Weaver, pastor.

The group includes Rev. J. F. Beebe, emcee and lead singer, Bob Hamby, lead guitar, Randy Beebe, bass, Mrs. Beebe, general manager and bookkeeper and Marilyn Brayton, piano and alto singer.

They have three albums released and have traveled the midwest and western states.

The public is invited.

team were: Alan Steele, receiver; and Daniel Willis, running back. Second team defensive members from Hamlin were: Delbert Thompson, linebacker; Daniel Willis and Robert Phariss, secondary; and David Moore, down lineman.

Receiving honorable mention on offense were: Randy Hudgins, receiver; Robert Phariss, running back; Gerald Rodgers, quarterback; Steve Williams and Donnie Nelson, linemen. Getting honorable mention on defense were Russell May and Raymond Jordan, linebackers; Charles Brown, secondary; and Rick Craig, down lineman.

The first team offensive unit selected by the district coaches included: Receivers—Monte Schmitt of Anson, David Bolen of Stamford, and Tim Higgins of Coahoma; Running backs—Don Earl of Stamford, Mike Rodriguez of Ballinger, Jimmie Chapman of Winters, and Delbert Thompson of Hamlin; Quarterback—Tony Watts of Anson, Linemen—Rick Craig, of Hamlin, Jerry Vaughn of Anson, Mathew Torres of Anson, Ken Maberry of Hamlin, and Rex Cook of Ballinger.

The first team defensive unit included: Linebackers—Jerry Vaughn of Anson, Mike Rodriguez of Ballinger, Tim Travis of Ballinger, and Bill Everett of Colorado City; Secondary—Tony Watts of Anson, John Reyes of Ballinger, Gary Roberts of

County Farm Bureau to Send 9 to Convention

Jones County Farm Bureau will be eligible to send nine voting delegates to the 42nd annual meeting of the Texas Farm Bureau Nov. 30-Dec. 3 in San Antonio.

County President J. C. Moss of Anson will head the delegation from this county. Other voting delegates and their hometowns include: Woodrow Bagley, Anson, Ira Treadwell, Stamford, Larry Sloan, Noodle, Dale King, Anson, Tony Jones, Anson and Herman Reeves, Anson.

The number of voting delegates from each county is based on the total number of members in the county. The

Jones County Farm Bureau ended its fiscal year Oct. 31 with 993 members.

A highlight of the Texas Farm Bureau annual meeting will be an address by Gov. Dolph Briscoe who, along with Texas Farm Bureau President Carrol Chaloupka of Dalhart, will speak at the morning session on Dec. 1.

State policies for the Texas Farm Bureau will be adopted by voting delegates. Adopted resolutions and national matters will be forwarded to the annual meeting of the American Farm Bureau Federation Jan. 4-8 in St. Louis.

Brownwood Firm Apparent Low Bidder On School Buildings

Herman Bennett Company of Brownwood was the apparent low-bidder here Thursday when the bids were opened on the Hamlin Independent School District construction projects.

The Board of Trustees are expected to meet sometime this week with representatives of the construction firm and the school's architectural firm of Rihard

and Huckabee of Andrews to enter into a contract.

The base bid submitted by Herman Bennett Company was \$1,699,800 which was the lowest of the 11 bids submitted. The board is expected to meet with Tommy Huckabee this week to consider a number of alternate proposals submitted by the bidders which would lower the total construction costs of the projects.

The base bids included the new Middle School, the Auditorium and Band Hall, and the air conditioning of the older existing buildings. A separate bid was submitted by the firms on the resource center at the high school. Herman Bennett Company's bid on this item was \$52,000.

Through the various alternates available in the plans and specifications, the board is expected to trim about \$165,000 from the total bid of the Brownwood firm of \$1,751,800.

Area Builders, Inc. of Odessa were the next low bidders with a base bid of

\$1,718,000. The highest bid was submitted by R. M. Wells Co., Inc. of Quanah and was \$1,895,000.

The bids were opened in the high school cafeteria Thursday at 2:30 with over 100 representatives of the construction industry on

hand.

Hamlin voters approved a \$1,250,000 bond election here Sept. 11 and the district collected nearly 500,000 in insurance from the March fire that destroyed the junior high school building and auditorium.

Girls Win Consolation In Aspermont Tourney

The Hamlin girls basketball team defeated Goree Saturday evening to take consolation honors in the annual Aspermont Invitational Girls Basketball Tournament. The local girls defeated Goree, 48-40 with Starlet Covington scoring 23 points. Crowell captured the tourney with a 70-36 victory over Albany.

Hamlin lost to the tourney champions in the first round, losing to Crowell, 45-44, on Thursday. Elizabeth Hooper was high for the local girls with 24 points. Hamlin took the second round game with Abilene Christian High School Saturday morning, 40-28, with Hooper and Covington each scoring 17 points.

Both the boys and girls teams played at Knox City Tuesday evening and will travel to Abilene next Tuesday to play the Abilene

Christian High School teams with the girls junior varsity game starting at 4 p.m. This will be followed by the boys junior varsity game, then the girls varsity and closing out with the boys varsity game.

The Eighth grade boys and girls teams will travel to Albany for a district game next Monday. The first game will start at 5:30.

GED Tests Set At Rule Dec. 6

General Educational Development Tests will be given in Rule High School Saturday, Dec. 6, at 8:00 a.m.

Five tests will be given in English, Literature, Social Studies, Science and Mathematics. If a person passes these five tests, the Texas Education Agency will issue a High School Equivalency Diploma. This diploma meets the educational requirement for employment as well as partial requirement for College entrance or job training schools.

A fee of \$15 is charged for all five tests and it takes about two hours for each test.

For additional information call the superintendent office at Rule.

TAHC Seeks Impartial Study of Brucellosis

The Texas Animal Health Commission has issued a policy statement asking that an impartial in-depth study of brucellosis and all possible programs for dealing effectively with the disease be authorized by Congress, according to Kirby Clayton, county agent for the Texas Agricultural Extension Service.

Commission members have asked that the study be conducted by a team of scientists approved by the Congressional committees responsible, points out Clayton.

Conclusions of this study, to be funded by Congress, should be delivered to the Congressional committees responsible for the funding of the USDA brucellosis program, according to the policy statement.

In order that maximum credibility be accorded to the study, Commission members have recommended that Congress appoint a team composed of nationally recognized authorities in their fields who are not associated with the current brucellosis program. The investigative team would evaluate the risk-benefit ratio, including economic, social, hygienic and other factors associated with the problem and establish a course of action.

Animal Health Commission members further recommended that no punitive changes in the Uniform Methods and Rules be made until the results of the study are presented to Congressional appropriations committees for their consideration.

In the policy statement, Commission members indicated that they favor effective control, and if possible, eventual eradication of brucellosis

from Texas breeding cattle. They said they will take steps which they deem reasonable, practical and necessary to achieve these goals.

Members of the Commission also indicated that they favor resisting and opposing any additional restrictive, federal regulations until the proposed study determines guidelines for a future program.

During the interim, the Commission policy will be aimed at:

1. Urging that heifer calves from three to seven months old in Texas be officially vaccinated, voluntarily, with properly refrigerated, high quality, viable Strain 19 brucellosis vaccine to facilitate movement and further reduce the incidence of the disease in Texas breeding cattle.

2. Protection of whatever status a county has already achieved.

3. Protection of the dairy industry to assure market ability of its products.

Governor Urges Caution During Coming Holidays

Governor Dolph Briscoe has reminded Texans of the forthcoming holidays and urged extreme caution in driving in this potentially dangerous period.

Said the Governor, "Thanksgiving is a time to reflect our successes and to be thankful for the good things of life. It is a time for us to consider a closer relationship with our neighbors, friends and families. But, it is also a time to be mindful of the busy holiday season.

"We are all going to be

rushing to enter the spirit of the holidays. And, with this fast paced life style, some people are forgetful of the need to slow down and be more careful when driving.

"Traditionally, the month of December is a time when traffic deaths start to climb. But, with an increased effort, we can reduce the number of fatalities and injuries that usually occur during the most active time of the year.

"Texas is truly a land of plenty with a sound economy, fine highways and well planned cities. We have much to be thankful for, yet we still

have traffic accidents that kill and injure hundreds of people.

"Therefore, I ask that each Texan accept a personal commitment to be more cautious during this holiday season. Let's make this Thanksgiving, Christmas and New Year, the best and safest time on Texas streets and highways," concluded Briscoe.

The Governor said his staff would increase their public awareness efforts through the media to remind motorists of the hazards of holiday driving.

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

Hamlin galloped over Goriee 48-40 with Starlet Covington making 23 points, Elizabeth Hooper 21 and Bettye Fitts 4 to take the consolation honors last Thursday through Saturday in the Aspermont Tournament.

In the first game of the tourney the Hamlin girls lost a well-played contest to Crowell 45-44 with Hooper leading in scoring, while in the second game, with Covington the headscorer, Hamlin ran over Abilene Christian High 40-28.

The Hamlin girls round-batters slaughtered Snyder 107-41 last week as Hooper tossed in 54 points. The junior varsity, lead by Doris White and Stacy Bell, also smashed Snyder 59-29.

The girls played Knox City last evening in the Hamlin Gym, while ACHS hosts the Piperettes next, Dec. 2.

The Hamlin Pipers began the 1975 basketball season last evening against the Knox City Greyhounds in Knox City.

The Pipers had six hard workouts to prepare for the game, while the Greyhounds had already played one game.

The senior members of the team are Rick Craig, Randy Hudgins, Robert Phariss, Gerald Rodgers, Alan Steele, Steve Williams and Daniel Willis.

The juniors are Charles Brown, Stanley Jones, Paul

Reynolds and Delbert Thompson.

The boys next travel to Abilene Christian High School Dec. 2.

The eighth grade basketball game scheduled for Monday with Hawley was postponed until the end of the season.

Both the boys and girls squads entertain Albany Dec. 1 at 5:30.

The Texas Wesleyan College Wind Ensemble of Fort Worth, under the direction of Stephen Ehrich, performed for and entertained the student body and faculty last Thursday during an assembly program.

The 29-piece ensemble highlighted the program with marches, symphonies and various contemporary music.

The D.E.C.A. club held a chili supper last Thursday evening in the high school cafeteria for its members. The chili was prepared by advisor Carlton Taylor. Approximately 20 members attended the feast.

Paul Reynolds took first place in the mini-course chess tournament completed Nov. 17. Paul "out-strategied" Jim Ledbetter for the title.

The second issue of the revitalized school newspaper was printed and distributed yesterday in Hamlin High

Thanksgiving

A tradition for more than 350 years

This Thanksgiving, as we carve the turkey and enjoy the foods of the harvest season, let us remember to be thankful for the freedom we enjoy. And, as we approach the 200th anniversary of the United States of America, let us pay a special tribute to the Pilgrims of the Massachusetts Colony and our other forefathers who came to the New World in search of freedom. The Pilgrims of New England established the tradition of Thanksgiving even though their first years in the New World were rough and the harvest was small. They were thankful for their freedom and for the opportunity to create a colony in a new land, carving a community from the wilderness. We should always remember these brave settlers, for it was they who set the foundations for freedom upon which our country is built.

FROM THE FILES . . .

FIFTY YEARS AGO

(November 20, 1925)

According to the reports of the four gins of Hamlin there has been ginned here to date 11,154 square bales and 1,524 round bales. This is distributed out to the gins as follows: Pioneer Gin - square bales 4,010 and 1,460 round bales; Fed H. Britton Gin Co. - square bales, 3,098 and 64 round bales; Planter Gin, 2,386; Slaton Gin, 1,669 and a total of 6,000 bales in the yard to date.

N. G. Bairrett of Olton, in Lamb County, was in Hamlin a few days this week on business and visiting old friends. While here Mr. Bairrett had us send in his name for the Dallas News. N. G. likes the Plains and is always glad to get the Herald. He says he reads everything, even the ads.

Elder C. D. Record will preach at the Church of Christ this Sunday at 11 a.m. Everyone has a cordial invitation to attend. Elder Record will begin a ten-day meeting in Plasterco Sunday evening.

No only will this new brick be a great boost for Hamlin, but it will accommodate on the largest and strongest mercantile firms in this part of the West. We are told that the Bryant-Link Company of Stamford will use this new building, and will have a long time lease on it. This makes more than a dozen stores for the company, which seems to continue to spread out in all directions. Information is that Mr. Billie Bryant will be manager of this new store and that he and his wife are moving to Hamlin right away to make this their permanent home.

Mr. and Mrs. Herman Barnett of Electra spent a few days this week with Mrs. Barnett's parents, Mr. and Mrs. W. L. Fletcher Sr., and other relatives and friends.

TWENTY YEARS AGO

(November 18, 1955)

Boys of the Hamlin chapter of Future Farmers of America Walked away with top honors at the district leadership contest conducted at Stamford last Wednesday. The boys were under the sponsorship of Harold Eades and T. C. Blankinship. Members of the senior team were: Perry Davis, president; Joe Cowan, vice president; Dwight Wallace, sentinel; Sam Carothers, treasurer; Jerry Jay, reporter; Davey Weaver, secretary; and Ronny Parker, Lane Fletcher and Gene Steele, delegates.

One of the largest, oldest and most - buttoned rattlesnakes taken in these parts

was brought to town Sunday afternoon by Martin E. Smith, who killed the coiler on the Dr. W. C. Weir place, north of town. The serpent was located in an old cellar on the Weir place by Smith, along with a smaller snake. Smith killed the snake as it slinked back under the roof supports of the cellar. Five feet and eight inches long, it weighed about six pounds. It had 28 buttons or rattles, one of the biggest sets ever seen hereabouts.

Hamlin's South Lake last week was supplied with a big shipment of small fish from the San Angelo federal fish hatchery, it was announced by J. C. Cauble, caretaker of the lake. Included in the shipment placed in the nearly-full lake were 1,500 channel cat, 15,000 beam and 3,500 black bass fingerlings.

Hamlin Pied Piper's toughest game of the 1955 football season is scheduled for Friday night at the Piper Stadium against the Stamford Bulldogs, who have nine straight victories. A win by the Stamford aggregation will make them District 4-AA winners.

TEN YEARS AGO

(November 18, 1965)

The 4-H Boys Club of Hamlin met Nov. 8 for the election of officers. Charles Thomas Sellers was elected president; Gregory John Perrin, vice president; Russell Wayne Willingham, reporter; and Steven Ray Willingham, song leader. At present there are 26 members.

The Pied Pipers and Piperettes will open the basketball season tonight when they travel to Eula. The Boys B team will open the action, to be followed by the Piperettes and then the Pipers. The Pipers, coached by Earnie Reusch, face a rebuilding job this year as they have only one starter back from last year, James Ledbetter. The Piperettes, coached by Dan Truelove, have last year's entire team back again this year. Returning guards are: Donna Compton, Glenda Hudspeth, Pauline Womack and Kay Hodnett. Returning forwards are: Judy Jenkins, Linda Bailey, Pauline Lakey and Margaret Cooper. The basketballers will play their first home game Tuesday as they entertain Avoca.

Cynthia Stephens was named FFA Sweetheart at an assembly last Thursday. A senior and daughter of Mr. and Mrs. H. D. Stephens, she will represent the local chapter on various occasions during the school year. She will compete for sweetheart of the Stamford District FFA Association next Spring and also will represent the chapter as its nominee for Sweetheart of the West Texas Fair next fall.

A Look at the Cross on THANKSGIVING

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted."

"But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

"All we like sheep have gone astray; we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all." Isaiah 53:4-6

Our prayer this Thanksgiving Season is that everyone will attend the house of God, giving thanks unto him for his great gift, which is eternal life through his son.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Philosopher Claims World Spending Too Much Time On Problems That Have No Solutions

Editor's note: The
Neinda Philosopher on his
Johnson grass farm on
Route One claims he has
been thinking, his letter
this week indicates.

Dear editor:

After thinking long and
hard I have come to the
conclusion that the main
problem with the world is
that it spends too much time
trying to solve problems for
which there aren't any
solutions.

For example, Secretary of
State Kissinger has spent the
last two or three years flying
back and forth between half a
dozen countries while we
spent 150 billion dollars in
Viet Nam—which is enough
money to tide New York,
Boston, Philadelphia, Los
Angeles, San Francisco and
several others over till at
least Christmas—and as far
as I can tell the problems he
was trying to solve are still
there.

There are 142 countries in
the United Nations, and
probably a lot more out there
somewhere we haven't heard
of who haven't heard of us or
the United Nations, and for
anybody to try to keep up
with their internal problems,
not to mention solve them, is

like asking you to keep up
with the name and character
of every office-holder in
every county within 200 miles
of Hamlin.

If Congress in Washington
and the Legislature in Austin
would confine their attention
only to problems capable of
being solved, their meeting
time could be reduced by
about 75 per cent. It doesn't
follow that taxes would
thereby be reduced, as
reducing taxes is one of the
problems that can't be
solved.

Moreover, this theory
doesn't apply just to
governments. It applies to all
sorts of institutions and
categories, and here's a list of
some of the problems that
can't be solved:

College students.
Busing.
Teen agers.

I'm running out of space. I
started to list the CIA and the
FBI, but there is a solution to
those. As I understand it, both
outfits have claimed they've
been doing what they've been
doing because Congress
hasn't set up any guidelines
for their conduct. Therefore
Congress should pass a law
making it against the law for
the CIA and the FBI to break
the law.

Yours faithfully,
J. A.

Ladies Meet For Monthly Salad Supper

Twenty-seven ladies met
Tuesday evening, Nov. 11, for
the regular monthly salad
supper at the Church of
Christ. Mrs. Loyd Burkhart,
Mrs. Vernon Johnson and
Mrs. G. O. Selph were
hostesses. The tables were
decorated with fresh
chrysanthemums and other
fall flowers.

Mrs. Betty Broom of
Abilene spoke of what it
might be like to be a woman
in the bush country of
Nigeria, Africa. Mrs. Broom
and her husband, Wendell,
spent five years in Nigeria as
missionaries. They also spent
time in Hawaii. Mr. Broom is
currently professor of
Missions at Abilene Christian
College. Mrs. Broom also
brought several items
common to the bush woman
for the ladies to examine.

The next salad supper will
be Dec. 9 at 7 p.m. Mrs. Floy
Hodge of Winters will be
presenting a book review

NEWS FROM ...
McCaulley
By Mrs. Fred Kemp

These brisk, cool mornings are definite proof of approaching winter. The frost recently gave positive proof of how little or how much those cotton plants had produced.

Mrs. Vera Bonds of Lubbock and daughter Mrs. Oleta Adams of Ralls were recent visitors in the homes of Milton and L. Z. Webb and Mr. and Mrs. Ernest Webb.

Mr. and Mrs. Ed Farmer and daughters, Julie and Vivian, attended the basketball games at Abilene last week.

High School Basketball teams traveled to Blackwell Tuesday. McCaulley Boys B Team and Girls A won their games. On Friday night Blackwell came to McCaulley and were defeated by all three McCaulley teams; Boys B and A and Girls A. This Tuesday night the teams will travel to Hobbs for high school games.

Mr. and Mrs. Pratt Cox recently bought a plot of ground across the road from their house, cleared away the rubbish, cut out some of the trees, leveled the land and sowed it with wheat. Sure looks pretty. Our community would be more inviting if more of us would do likewise.

Referees for our basketball games have been especially good recently. We had our first woman referee this year who did a very fine job. Last week one of the referees was Randy King from Roby who is attending Western Texas College in Snyder. He and his partner also did a very fine job.

McCaulley Schools will be dismissed for Thanksgiving Holidays Wednesday at 2:00 o'clock to be resumed Monday, Dec. 1.

A well known story tells that James Watt got the idea for a steam engine as a boy by watching steam lift the lid of his mother's tea kettle. Actually, Watt did not invent the steam engine, though he did improve it and make it practical!

A nuclear power plant makes electricity much the same way that Watt's mother made tea. It boils water to make steam to turn the turbine to make electricity. The difference is, it uses heat from nuclear reaction instead of fire to boil the water.

STATE CAPITAL
Highlights AND Sidelights
by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN — The debate goes on over whether the legislature will be faced with a billion dollar tax bill in 1977 — or none at all.

Comptroller Bob Bullock stated that if lawmakers continue their recent spending patterns they will have to pass a record tax measure.

But House Speaker Bill Clayton predicted the legislature will be "trying to maintain the status quo" and will avoid growth of the bureaucracy. In spite of Bullock's repeated warnings, Clayton said he is not convinced that a major tax bill will be required.

Gov. Dolph Briscoe at a governmental conference in San Antonio stated government at all levels must become more economical and efficient. He called specifically for "redirection" of spending for education.

State Sen. Peyton McKnight of Tyler, speaking more harshly, said runaway spending in education may bankrupt the state if it isn't brought under control. He called for a lid on education spending.

Meanwhile, the new Joint Advisory Commission of Government Operations (Little Hoover Commission)

held its second meeting and adopted a time-table for a year's inquiry into 250 state units of government. Lt. Gov. Bill Hobby warned members to keep their eyes on the big spending areas and avoid "rabbit hunts."

Postponed Again

The Senate for the third time postponed the impeachment trial of District Judge O. P. Carrillo.

By a 16-10 vote, senators delayed the trial until January 5 to await outcome of a Judicial Qualifications Commission hearing and federal court final action on Carrillo's income tax conviction.

Carrillo said he will never resign his post on the Duval-Starr-Jim Hogg counties bench, although he has been suspended since last August following House passage of articles of impeachment.

Court Race On

New Texas Supreme Court Associate Justice Ross E. Doughty of Uvalde decided he will not be a candidate to retain his job in 1976.

Two Court of Civil Appeals chief justices immediately indicated an interest in a race to succeed

Doughty who was appointed only about two months ago when Associate Justice Ruel Walker retired.

The prospective candidates are Judge Charles W. Barrow of the Fourth Court of Civil Appeals in San Antonio and Martin Dies Jr. of the Ninth Court in Beaumont.

Barrow says he is definitely going to run. Dies says he is "inclined to" but wants to check his bases of support again.

Courts Speak

Reversing itself, the State Supreme Court agreed to consider whether a landowner, to claim an agricultural tax exemption, must prove 51 per cent of his overall income is derived from farming or ranching.

Third Court of Civil Appeals threw out a State Board of Pharmacy appeal from a district court ruling blocking its enforcement of a limit on advertising prescription drugs. The intermediate court noted an appeal notice already has been filed with the Supreme Court, and two parallel appeals cannot proceed simultaneously.

The Third Court rejected approval by the Savings and Loan Commissioner of a fourth savings and loan association charter for Longview due to rulings on evidence by a hearing officer.

An injunction prohibiting the State Board of Insurance from enforcing a requirement of 90 days' notice for cancellation or premium increases in medical liability policies was upheld by the Third Court.

Improper jury arguments by Dallas prosecutors led to two reversals of cases by the Court of Criminal Appeals.

The Supreme Court directed an intermediate court to reconsider a workmen's compensation case in which the lower tribunal earlier had held a Brazoria County chemical worker intentionally

AG Opinions

A blood sample cannot be legally taken without the consent of a person suspected of a traffic-related offense, Atty. Gen. John Hill stated in a recent opinion. A physician, taking the sample without apparent consent, could be subject to civil liability, Hill stated.

In another recent opinion, Hill concluded those acting under direction of physicians in filling prescriptions do not have benefits of statutory exemptions granted doctors, dentists and chiropractors.

GOING UP!

For a while the price of oil was rising faster than inflation. And while it has stabilized it seems destined to be high from now on. This means higher fuel costs to the people who generate our power and inevitably higher costs to us. But the Midwest Electric Cooperative reaffirms its promise to provide power at its lowest possible price. It's a promise we've kept for more than 30 years.
